**School Sponsored
Fall Afterschool
Enrichment/Athletic
Activities for Students**

4th/5th Grade Academic Team

In late October, each fourth and fifth grade student receives an invitation to join the Academic Team. Students are expected to attend at least one practice each week from November – March. Practices give students the opportunity to enhance individual skills while contributing to a group endeavour. During the practice sessions, the team members learn the rules for different events and expand their knowledge of Kentucky's Core Content through exploration and review activities. Team members with excellent attendance, exemplary behavior, and improved statistics are given first consideration during the competition selection process.

The 4-5 Academic Team Activities are described below:

Kentucky's Governor's Cup Competition - February and March

The Academic Team members participate in the following Governor's Cup events sponsored by the Kentucky Association for Academic Competition (KAAC): Quick Recall (team competition); Written Composition (individual on-demand writing prompt); and Written Assessments (multiple choice in Mathematics, Science, Social Studies, Language Arts; and Arts/Humanities). Students compete at the District level for the opportunity to advance to the Regional Competition.

School Sponsored Activity/Coaches: Lisa Campbell and Lizanne Hunter

Schedule

4th/5th Grade Academic Team practices and competitions run from November through March.

Registration

4/5 Academic Team Participant Fee: \$90

Grade Range: 4th–5th

Registration information will be distributed in October. Please email Coach Lisa Campbell or Coach Lizanne Hunter with any questions at the following addresses:

lisa.campbell@anchorage.kyschools.us;
lizanne.hunter@anchorage.kyschools.us.

6th Grade Academic Team

In September, each sixth grader receives an invitation to join the Academic Team. Recognizing that each student can make valuable contributions to the team, our goal is to involve as many interested and dedicated students as possible. Team members are expected to attend our one practice each week. During the practice sessions, the team members learn the rules for different events and expand their knowledge of Kentucky's Core Content through exploration and review activities. Team members with excellent attendance, exemplary behavior, and improved statistics are given first consideration during the competition selection process.

The 6th Grade Academic Team activities are described below:

Kentucky Colonels Sixth Grade Academic Showcase - December

This event, similar to the Governor's Cup Competition, is sponsored by the Kentucky Association for Academic Competition (KAAC). Academic Team members compete in the Quick Recall tournament. Individual team members may also participate in Written Composition and multiple-choice Written Assessments in Mathematics, Science, Social Studies, Language Arts, and Arts/Humanities.

American Scholastic Academic Challenge - February

Academic Team members may choose to compete in the American Scholastic Achievement League's 100-question Academic Challenge. This activity affords students the opportunity to take a general knowledge test on-line. Individuals are recognized for academic excellence.

School Sponsored Activity/Coach: Karen Steltenpohl

Schedule

6th Grade Academic Team practices and competitions run from September through December.

Registration

6th Grade Academic Team Participant Fee: \$75

Grade Range: 6th

Registration information will be distributed in September. Please email Coach Karen Steltenpohl at karen.steltenpohl@anchorage.kyschools.us with any questions.

Middle School Academic Team

In late September, each middle school student receives an invitation to join the Academic Team. It is important to remember that every student can make valuable contributions to the Academic Team. Our goal is to involve as many interested and dedicated students as possible.

During practice sessions, the team members learn the rules for different events, plot their competition strategy, and expand their knowledge of Kentucky's Core Content through exploration and review activities. Team members are expected to attend practice each week from late September until the Governor's Cup Competitions in January and February. Team members with excellent attendance, exemplary behavior, and improved statistics are given first consideration during the competition selection process. After Governor's Cup, the team takes a short break. Then an optional spring practice schedule is set for team members interested in any of the competitions held in the spring.

The 7-8 Academic Team activities are as follows:

Pre-Season – Volunteers represent Anchorage in any pre-season invitational tournaments.

Kentucky Governor's Cup Competition - January, February, March

Team members may participate in these events sponsored by the Kentucky Association for Academic Competition (KAAC): Quick Recall (team competition); Written Composition (individual on-demand writing); and Written Assessments (individual multiple-choice test) in Mathematics, Science, Social Studies, Language Arts; and Arts/Humanities. Students compete at the District level for the opportunity to advance to the Regional and State Competitions.

Middle School Academic Team (continued)

American Scholastic Academic Challenge - February

Academic Team members may choose to compete in the American Scholastic Achievement League's 100-question Academic Challenge. This activity affords students the opportunity to take a general knowledge test on-line. Individuals are recognized for academic excellence.

Special Invitations – late September - May

When the team receives invitations for other academic events throughout the year, interested and available Academic Team members may opt to participate in additional activities.

School Sponsored Activity/Coach: Karen Steltenpohl

Schedule

7th/8th Grade Academic Team practices and competitions run from late September through February with optional spring practice schedule.

Registration

7th/8th Grade Academic Team Participant Fee: \$95

Math Counts

Math Counts is a nationally recognized 6th – 8th grade mathematics program, designed to enhance a student's problem-solving capabilities within a competitive learning environment. The program consists of a series of written tests – a Sprint Round (30 problems in 40 minutes – no calculator); a Target Round (8 problems presented to competitors in four pairs with 6 minutes per pair – calculator allowed) and a Team Round (10 problems that a four-member team works together to complete in 20 minutes – calculator allowed). Students compete at an individual level and at a team level. For additional information check out www.mathcounts.org.

School Sponsored Activity/Coach: Jan Broyles

How Can Students Prepare?

Over the course of the next few months Mrs. Sangster and Mrs. Broyles will be working with Math Counts type of curriculum within our LEAPS classes and Mrs. Haufe will be assisting with the program. Generally in early to mid October we will begin holding Math Counts Practices on Tuesday mornings from 7:10 to 7:55 AM in room 206. Participants in the morning practices will be students selected from our classes that have demonstrated initiative, willingness, and mathematical aptitude as determined by a variety of assessments. A practice schedule will be determined and distributed to selected participants prior to AM meetings.

What are the Competition Details?

Up to ten students may be selected to represent Anchorage School for the Louisville Chapter official competition, which generally occurs in early-to-mid February.

Music Composition Using Finale Software

Advanced music students will have the opportunity to participate in a 9-week after school class on how to use Finale software for music composition. STEM & STEAM Clubs

The United States is projected to have 1.2 million job openings in science, technology, engineering and math (STEM) related occupations by the year 2018. The STEM clubs offered at our school are designed for students who have a strong desire to learn more about the STEM fields. Activities will include students using the Engineering Design Process to “Ask, Imagine, Plan, Create, and Improve” STEM challenges that will complement the Next Generation Science Standards.

K-3 STEAM Club: LEGO Literacy Learning is a school sponsored activity. The instructor is Susanne Hannigan and Jackie Holt. K-3 STEM Club will incorporate STEM learning with a literacy-based monthly theme. This multi-sensory program will include storytelling (involving critical listening, comprehension, and discussion), presentation of the design thinking process (involving drawing and writing), as well as LEGO building.

Intermediate STEAM Club (Grades 4 - 5) is a school sponsored activity. The instructor is Meg Wilson. This club includes art as an integrated element, thus the club for this level is a STEAM Club (science, technology, engineering, art and mathematics). Students will participate in exciting real world challenges, learn about brain-stimulating math games, try 21st Century math and science interactive explorations, integrate art and design elements into the sciences and learn about computer coding.

Middle School STEM Club is a school sponsored activity. The instructor is Raechel Minor. During both semesters the club will meet the 2nd and 4th Tuesday of each month.

Schedule

K-3 STEM Club will meet on the final Wednesday of each month after school (3:00-4:00) in the LEAPS classroom (room 206), September-April (excluding December).

Jackie Holt's Dates include: 9/28/16, 10/26/16, 11/30/16, 1/25/17, 2/29/17, 3/28/17, and 4/25/17

Susanne Hannigan's Dates include: 9/12/16, 10/10/16, 11/7/16, 12/5/16, 1/9/17, 2/6/17, 3/6/17, 4/10/17.

At the conclusion of STEM club meetings parents must sign-out and pick-up their child in room 206.

STEM & STEAM Clubs (continued)

Intermediate STEAM Clubs (Grades 4 - 5) will meet for separate six week fall and spring sessions. Both sessions will be held in the computer lab (room 204) from 3:00 - 4:00. Fall session dates will begin on October 12 and run each Wednesday afternoon through November 16. Spring session dates will begin on February 8 and run each Wednesday afternoon (except for Winter break) through March 22. There will be no STEAM Club meeting on Wednesday, February 15. These are two separate sessions. Interested students may apply for either session or for both.

Middle School STEM Club (Grades 6th-8th) will first meet on Tuesday August 30 and every 2nd and 4th Tuesday of each month thereafter.

Registration

K-3 STEAM Club fee is \$35 per student. An informational flyer including registration information will be distributed to all K-3 students in early September.

Maximum enrollment: 20 students (5 students per grade level)

Intermediate STEAM Clubs (Grades 4 - 5) fee is \$40. Registration information will be distributed in early September for the fall session and in early January for the spring session. Information will be sent home with all 4th and 5th graders and will be posted on the school website

Middle School STEM Club (Grades 6th-8th) fee is \$50 per semester. Registration information will be distributed in September through the Middle School Newsletter and School News emails. Information will also be posted on the website under the "News" link.

Anchorage Young Musicians

Anchorage Young Musicians is expanding and will be meeting at school! The purpose of this club is to encourage music development and performance opportunities for instrumental music students at Anchorage school and in the Anchorage community. Students often are more motivated to practice when they have a performance to prepare for so this is a great way to motivate them (and get the most out of your investment in their musical education too)!

Community Sponsored Activity

Sponsor: Dr. Linda Lightbourne

Parent Volunteers: Meredith Loveless and Nandita Segan

Schedule

2016-2017 program includes:

Concerts—Concerts are designed to be a fun way for music students to perform in a non-threatening and encouraging environment. The program is designed to last 45 minutes or less so young children (and parents) can enjoy the performances in a shorter format. Beginner, intermediate and advanced students are mixed into the program so young children can be encouraged by the more advanced students. The program ends with a performance by an established adult musician! All instruments at all levels are encouraged to participate. Concerts are being held at Owl Creek Country Club and Anchorage Music teachers are also encouraged to bring students to create a community event. Refreshments will be served.

This year's concerts are planned for:

Holiday Concert	12/3/16	2pm	Owl Creek Country Club
Spring Concert	4/22/17	3pm	Owl Creek Country Club

Community Service—There will be several opportunities for community service such as performing at nursing homes and other community events. Opportunities to perform at school based events are also possible.

Town Hall Meetings—Club members will have the opportunity to participate in quarterly after school town hall meeting with Dr. Lightbourne for another opportunity for fun and informal performance.

Anchorage Young Musicians (continued)

Registration

Grade Range: K-8th (Open to any Anchorage School students who play an instrument)

Registration information is available at back-to-school orientation on August 12th.

Club fee (including t-shirt) is \$35 (3rd child or more \$15 each additional child). Please make check payable to Anchorage Young Musicians.

For more information contact: Meredith Loveless, Nandita Segan or Dr. Linda Lightbourne at anchorageyoungmusicians@gmail.com
