## 4th/5th Grade Academic Team

In late October, each fourth and fifth grade student receives an invitation to join the Academic Team. Students are expected to attend at least one practice each week from November – March. Practices give students the opportunity to enhance individual skills while contributing to a group endeavour. During the practice sessions, the team members learn the rules for different events and expand their knowledge of Kentucky's Core Content through exploration and review activities. Team members with excellent attendance, exemplary behavior, and improved statistics are given first consideration during the competition selection process.

**The 4-5 Academic Team activities are described below:**

Kentucky's Governor's Cup Competition - February and March

The Academic Team members participate in the following Governor's Cup events sponsored by the Kentucky Association for Academic Competition (KAAC): Quick Recall (team competition); Written Composition (individual on-demand writing prompt); and Written Assessments (multiple choice in Mathematics, Science, Social Studies, Language Arts; and Arts/Humanities). Students compete at the District level for the opportunity to advance to the Regional Competition.

School-Sponsored Activity/Coaches: Lisa Campbell and Lizanne Hunter

### Schedule

4th/5th Grade Academic Team practices and competitions run from November through March.

### Registration

4/5 Academic Team Participant Fee: \$90

Grade Range: 4th–5th

Registration information will be distributed in October. Please email Coach Lisa Campbell or Coach Lizanne Hunter with any questions at the following addresses:

[lisa.campbell@anchorage.kyschools.us](mailto:lisa.campbell@anchorage.kyschools.us);  
[lizanne.hunter@anchorage.kyschools.us](mailto:lizanne.hunter@anchorage.kyschools.us).

## 6th Grade Academic Team

In September, each sixth grader receives an invitation to join the Academic Team. Recognizing that each student can make valuable contributions to the team, our goal is to involve as many interested and dedicated students as possible. Team members are expected to attend our one practice each week. During the practice sessions, the team members learn the rules for different events and expand their knowledge of Kentucky's Core Content through exploration and review activities. Team members with excellent attendance, exemplary behavior, and improved statistics are given first consideration during the competition selection process.

**The 6<sup>th</sup> Grade Academic Team activities are described below:**

Kentucky Colonels Sixth-Grade Academic Showcase - December

This event, similar to the Governor's Cup Competition, is sponsored by the Kentucky Association for Academic Competition (KAAC). Academic Team members compete in the Quick Recall tournament. Individual team members may also participate in Written Composition and multiple-choice Written Assessments in Mathematics, Science, Social Studies, Language Arts, and Arts/Humanities.

American Scholastic Academic Challenge - February

Academic Team members may choose to compete in the American Scholastic Achievement League's 100-question Academic Challenge. This activity affords students the opportunity to take a general knowledge test on-line. Individuals are recognized for academic excellence.

School-Sponsored Activity/Coach: Karen Steltenpohl

## Schedule

6th Grade Academic Team practices and competitions run from September through December.

## Registration

6th Grade Academic Team Participant Fee: \$75

Grade Range: 6th

Registration information will be distributed in September. Please email Coach Karen Steltenpohl at [karen.steltenpohl@anchorage.kyschools.us](mailto:karen.steltenpohl@anchorage.kyschools.us) with any questions.

## Middle School Academic Team

In late September, each middle school student receives an invitation to join the Academic Team. It is important to remember that every student can make valuable contributions to the Academic Team. Our goal is to involve as many interested and dedicated students as possible.

During practice sessions, the team members learn the rules for different events, plot their competition strategy, and expand their knowledge of Kentucky's Core Content through exploration and review activities. Team members are expected to attend practice each week from late September until the Governor's Cup Competitions in January and February. Team members with excellent attendance, exemplary behavior, and improved statistics are given first consideration during the competition selection process. After Governor's Cup, the team takes a short break. Then an optional spring practice schedule is set for team members interested in any of the competitions held in the spring.

### **The 7-8 Academic Team activities are as follows:**

Pre-Season – Volunteers represent Anchorage in any pre-season invitational tournaments.

### Kentucky Governor's Cup Competition - January, February, March

Team members may participate in these events sponsored by the Kentucky Association for Academic Competition (KAAC): Quick Recall (team competition); Written Composition (individual on-demand writing); and Written Assessments (individual multiple-choice test) in Mathematics, Science, Social Studies, Language Arts; and Arts/Humanities. Students compete at the District level for the opportunity to advance to the Regional and State Competitions.

## Middle School Academic Team (continued)

### American Scholastic Academic Challenge - February

Academic Team members may choose to compete in the American Scholastic Achievement League's 100-question Academic Challenge. This activity affords students the opportunity to take a general knowledge test on-line. Individuals are recognized for academic excellence.

### Special Invitations – late September - May

When the team receives invitations for other academic events throughout the year, interested and available Academic Team members may opt to participate in additional activities.

School-Sponsored Activity/Coach: Karen Steltenpohl

## LEGO Robotics Team

The purpose of robotics is to inspire students through the use of technology to become problem solvers, engineers, and collaborative workers. The students will learn how to program robots to complete designated tasks.

FIRST® LEGO® League introduces young people to the fun and excitement of science and technology. Children program an autonomous robot (using a LEGO® MINDSTORMS® robot set) to score points on a thematic playing surface, create innovative solutions to a problem, all while being guided by the program's signature Core Values.

Each year FIRST® LEGO® League releases a new Challenge to our teams based on a real-world theme. The Challenge has three parts. • Robot Game: Build and program an autonomous LEGO MINDSTORMS robot. • Project: Teams learn more about the science behind the Challenge theme and design a solution to solve a real-world problem. • Core Values: The Core Values are part of what makes FIRST LEGO League so special, because kids compete like crazy but respect their teammates, coaches, and their “competitors” – and they have FUN.

School-Sponsored Activity/Instructors: Deborah Sloan and Rosie Robinette

## Schedule

We will practice on Mondays from August 28 through December. The last date for December will be determined at a later date. This will be the competition. It is usually the first Saturday of December. If we advance to the State Tournament, then our practices will continue in January and February.

## Anchorage Young Musicians

Anchorage Young Musicians is a community program to encourage music development and performance opportunities for instrumental and vocal music students at Anchorage school and within the Anchorage community. Students often are more motivated to practice when they have a performance to prepare for so this is a great way to motivate them (and get the most out of your investment in their musical education too)!

Community-Sponsored Activity

Sponsor: Lauren Morris

Parent Volunteers: Meredith Loveless and Nandita Segan

### Schedule

2017-2018 programs include:

Concerts are designed to be a fun way for music students to perform in a non-threatening and encouraging environment. The program is designed to last 45 minutes or less so young children (and parents) can enjoy the performances in a shorter format. Beginner, intermediate and advanced students are mixed into the program so young children can be encouraged by the more advanced students. The program ends with a performance by an established adult musician. All instruments at all levels and vocals are encouraged to participate. Concerts are being held at Owl Creek Country Club and Anchorage Music teachers are also encouraged to bring students to create a community event. Refreshments will be served.

Concerts dates have not yet been determined:

Holiday Concert December 2017 Owl Creek Country Club

Spring Concert April 2018 Owl Creek Country Club

### Registration

Fees 2017-2018

Instead of club fees this year each concert will cost \$10 per family to cover the cost of food and beverages.

Check payable to Anchorage Young Musicians or AYM.
