Permission and Release Form

-I hereby grant permission for my child to use all the play equipment and participate in all activities of the Anchorage Summer School Program.

-I hereby grant permission for the Summer School Principal or authorized school personnel to take whatever steps necessary to obtain emergency medical care if warranted. These steps may include but are not limited to attempting to contact a parent, guardian, or persons listed as the emergency contact person on the registration. If the above mentioned cannot be contacted, school personnel will do any or all of the following: Call an ambulance to take the child to the hospital, or have the student taken to the hospital by ambulance in the company of a staff member if one is available. All expenses incurred while enlisting the help of medical personnel will be borne by the child's family.

-I hereby grant permission for my child to be included in the documentation of programs and activities at Anchorage School through the use of photography, video and printed materials as deemed appropriate by school personnel.

-It is agreed that the Anchorage School and staff assume no liabilities for injuries sustained as a result of participation in any and all Anchorage School programs.

ANCHORAGE SUMMER PROGRAMS

2018

SUMMER 2018

Camp Invention:
Stephanie Liford
Grades: K-6

June 11-15
Or
July 9-13

9:00-3:30

To register online:
<http://www.campinvention.org/>

Camp Invention:

The Camp Invention program is a weeklong, nationally-acclaimed summer science and creativity day experience for elementary school children. This is a unique opportunity to help cultivate the ideas critical to science, technology engineering and math (STEM) by encouraging exploration and curiosity through exciting, hands-on activities. Helping to instill the understanding that science is everywhere, this inquiry-based approach fosters "whole systems" thinkers. Children will learn how to think like inventors, problem-solver, collaborate, and create-all while having FUN!

ART CAMP

Grades 1 - 5

TBD

10:00am -11:30 am

Instructor:
Jeff Dunn

Enrollment:
Max 12 students
Fee: \$75

ART CAMP

Grades 6 - 8

1:00-2:30 pm

Instructor:
Jeff Dunn

Enrollment:
Max 12 students
Fee: \$75

We will be creating Absolutely Awesome Artwork with things like clay, yarn, glue, oil pastels, paint, paper and much more.

NEW MIDDLE SCHOOL ART

Middle School Art Camp
"Sculpture focused Camp"

KINDERGARTEN JUMPSTART

Entering Kindergarteners
July 30th -Aug. 2nd
9:00 - 11:00 am

Transition into Kindergarten has long been recognized as one of the most important events in the lives of children and their families. Our Jumpstart program will provide a kindergarten classroom to include centers and a daily routine similar to that in our Kindergarten day. The seamless transition in activities and teaching approach from late preschool to early kindergarten will increase the social and academic skills of children.

Instructors: Brigid Breetz/Alex Flannery

NO MAX

Fee: \$ 80

Soccer Camp

Coed 5/6th Grade- July 30 through August 3 from 9:00 am to 12:00 pm

Coed 7th/8th Grade- August 6 through August 10 from 9:00 to 12:00 pm

If there are less than 10 participants in any session the camps will be combined.

Time: 10-2:00

Cost: \$25.00

Raechel Minor and Ben VK

NEW fo 2018...Spanish Camp

June 11th - 15th

9-12:00

Spanish camp introduces students to basic conversational Spanish as well as the cultures of five Spanish-speaking countries. Language instruction will focus on the three modes of communication: interpretive listening/reading, interpersonal communication and presentational speaking/writing as students learn vocabulary and phrases related to school, self and family. Cultural studies will include games, songs and hands-on activities as students "travel" to and explore Central America, South America, and Spain.

15 students grades 2nd -5th

Cost 60.00

Pilar Gomez

Engineers of Tomorrow Robotics Camp

This 3 day camp will give students the opportunity to learn about robotics in a fun, engaging, hands-on environment from experienced students and adults who are passionate about engineering and technology!

At our camp you will:

- Design awesome robots using Lego Mindstorms technologies
- Apply STEM concepts to research, design, build and program robots
- Experiment with and discover engineering basics and techniques
- Develop critical thinking skills and gain hands-on experience solving real world problems
- Work in project-based teams and strengthen interpersonal skills
- Gain essentials skills for *winning* robotics competitions!

Registration:

• **Rising 4th-6th graders may apply**

Contact Deborah Sloan Deborah.sloan@anchorage.kyschools.us

Instructor: Deborah Sloan

Cost: 135.00

July 16-18 Cafeteria

Real World Coding Camp

Could you be the next Bill Gates? Mark Zuckerberg? From video games to robotics to the space station, code is found everywhere. Once you get your start, the possibilities are endless. Never written code before? No worries! You'll start with working examples and make changes as you learn.

Your instructor will guide you through building and coding projects that sense and react to the real world. Want to build an electronic piano? A scribble bot? A mirror that stretches for infinity? A game to test your dexterity? You'll build all these and more. Experimenting and learning doesn't end at camp. You'll take home your creations and can continue learning from more than 30 free projects at www.letsstartcoding.com

Instructor: Tom Walken

Cost 110.00

June 18 - 22

Summer Programs

Anchorage School will be offering the following courses and camps this summer for Anchorage students. Please send in your registration and fee as soon as possible so your child doesn't get left out. **Please write individual checks for each camp.** Checks will be held until the program has the minimum number of participants.

REGISTRATION INFORMATION

All classes will be held at Anchorage School. For safety reasons, all students will enter the building through the front entrance. Programs require the minimum number quoted in order to be offered. **This year we welcome students from other schools or districts. There is additional \$25.00 fee for non-Anchorage students.** Tell your friends and sign up early to reserve your spot.

Fill out the registration and return it with the proper amount for each program. There is room for multiple programs on the same sheet. **DO THIS NOW. DON'T WAIT UNTIL THE CAMP STARTS!** Please, no multiple program checks as they are going to different accounts.

The fee listed is for the duration of the course for that week. The grades listed refer to the child's grade for his/her 2016-2017 school year.

Turn in all registration ASAP to ensure that your child gets into the program of his or her choice. It would be best to mail or to return the registration and check directly to Pabby Hayes or her school mailbox. Email questions to: Pabby.hayes@anchorage.kyschools.us
