n,e,s,sh,th,w,wh
y,v,x,z,th,qu

Core Essentials

Our social emotional learning word for the month of October is **Courage**.
Courage- Being brave enough to do what you should do, even when you are afraid.

The Big Three

1. Treat others right.
2. Make smart decisions
3. Maximize your potential. (Try your very best)

WHAT'S HAPPENING THIS MONTH

Reading

This month in reading, we will continue to focus on skills such as identifying beginning and ending sounds. We will add in middle sound as well. We will continue to work on pronouncing letter sounds correctly. We will also focus on characters, setting and retelling of stories.

Writing

This month in writing we will continue incorporating sight words into our writing, stretching out words and writing them down. We will also scaffold writing complete sentences with support. The writing progress so far is amazing!

Math

This month we will be putting together and taking apart groups of ten, writing number sentences, investigating the concept of "one more" and "one less" and practicing number writing to 10. Look for our math newsletters for ways to work at home on these concepts.

Social Studies

In science this month, we will be exploring the life of plants. We will be learning about what plants need, how they grow and how people use plants in our daily lives. Our trip to Huber's will give us an opportunity to see plants and trees in action. We will use our experience at Huber's to enhance our learning about plants by having a shared experience to draw our ideas from for discussions and writing.

Happy Birthday
