

STUDENT-LED PARENT TEACHER CONFERENCES

It is conference time! Once again, these conferences will be student-led. Students will be sharing with you the progress that they have made this year, as well as areas in which they would like to increase their growth.

There is no official "Conference Day" for the winter/spring. **I am holding conferences on Monday, February 17th during winter break.** Please indicate your first, second, and third choices next to the possible times you can attend. I will do my best to accommodate individual preferences. Each conference is scheduled for 20 minutes. Please arrive promptly so that we may remain on schedule. I will send home your scheduled time as soon as I receive feedback from everyone. Please respond by Tuesday, February 11th

If you will not be in town on that day, please email me and we will try to fit a conference either before or after school, the week prior to break. If you wish to meet with other teachers, please schedule the conference directly with each teacher.

Please sign up for **two times** by using the preference system with 1 being your most preferred time to attend the conference. I will either call or send home a notice on your confirmed time. Thank you for your continued support.
