

February 10, 2020

Good Afternoon!

I decided not to send the green folders home on Friday (sorry). We weren't able to complete several activities due to our wonderful biography presentations and the two hour snow delay. My plan is to send the folders home Thursday so I can get them back on Friday in time to organize and be ready for when we return from our winter break. This week's spelling test will be on Thursday.

**We are working on the following themes this week:**

**Math** - We have completed Module 4 in our Eureka Math and will be taking the assessment one day this week. The kiddos will continue to work on their geometry posters.

**Science and History**- We will study the structures of Simon Rodia which are unusual and wonderful towers that he built right in his backyard! We'll have the opportunity to get a glimpse of this man's creativity and resourcefulness and will have a chance to do some of our own tower building. I

**Reading, Writing, and Science/Social Studies** - Thursday is our Shakespeare workshop. The children will take part in a short performance of *Hamlet*. In preparing for this fabulous experience, I have printed scenes from a few of his other famous plays and will have the children perform them during Readers' Theater. We will also be writing poetry.

-STEM challenge on Thursday - Yippee!!!

-A quick reminder - Our Valentine's Party is Friday at 1:00. If your child plans to hand out valentine cards, each child must receive one. I've listed the names so no one gets left out. If your child will be out on Friday, please let me know.

**Girls**

Libby	Gracie
Ivy	Charlotte
Annabelle	Zoe
Amelia	Lainey

**Boys**

Thatcher	Dakota Mason
Sam	Colton
Sebe	Alec
Jack	Bennett

If your child would like (optional) to decorate a valentine's box, he/she must bring in a wrapped box by Tuesday.

**Reminders:**

\*Guest Reader this week is Whitney Cook on Tuesday.

\*Your child's MAP growth report will be in Monday's BEE binder. We can review this during your child's conference.

In closing, I have to compliment our 2<sup>nd</sup> graders for doing an incredible job on their biography projects and presentations. WOW!!! We still have a few more to enjoy.

Have a wonderful week!!!!

Respectfully,  
Mrs. Linda Hall
