

4th Grade Daily Learning Plan

Teacher: Holt, Van Nevel, Campbell

Office Hours: 9:00-11:00 & 1:00-2:00

Date: Wednesday March 25, 2020

Content Area: Reading

Catch Up Day: Use this day to catch up on any assignments that you need to finish. You are welcome to do some review IXL science activities.

Notes:

Once you have completed all the work on the previous lesson plan (not Google Classroom), please remember you can read on getepic.com, or do reading on IXL. If there are questions about the work, please e-mail your teacher

Content area: Math

Catch Up Day!

There are no new assignments. Use this day to catch up on any assignments that you need to finish.

Students- please email me if you have a question about any of the math assignments.

Notes:

Content Area: Science

Catch up day! Use this day to catch up on any assignments that you need to finish. You are welcome to do some review IXL science activities.

Students- please email me if you have a question about any of the science assignments.

Content Area: ELA (Writing) - Campbell, Van Nevel, and Holt

Catch up day! Use this day to catch up on any assignments that you need to finish. You are welcome to do some review IXL grammar or writing activities.

Please Note: Daily Learning Plans for Essential Arts, Special Education and LEAPS will be delivered directly by those teachers.
