	<p>Activities: Google Meet: 1st Period 8:45 2nd Period 9:45 (Notice time change) 3rd Period 11:00</p> <ol style="list-style-type: none"> 1. Entrance Slip- Rock Cycle and Minerals- You can always start this entrance slip before we start our Google Meet. 2. Virtual Field Trip- You will be taking a field trip. Well- since we did not get to visit any places on Spring Break I thought I would bring the places to you. You are going to take a look at different places around the world!!! You will be making observations as you explore and determine which type of rocks you will be looking at in those places.
	<p>Turn In: 1. Rock/Mineral Entrance Slip-Google Forms Assignment- this will be turned in automatically when you complete it. 2. Virtual Field Trip- Observations 3. Weathering/Erosion Project due today. There is a link in Google Classroom where you will put your Weathering/Erosion Project.</p>
	<p>Notes: So your child will be turning in three assignments today.</p> <ol style="list-style-type: none"> 1. Rock/Mineral Entrance Slip 2. Observations from Virtual field trip 3. Weathering/Erosion Project- Your child was given this assignment last week- so they are only turning it today.
Social Studies	Learning Target: I can show my DOK of lesson 16.
	Standard: 6.H.CH.2
	Duration: varies per student 20-35 min.
	Activities: log into TCI assignment---lesson 16/game
