

1st Grade

Daily Learning Plan

Teacher: Amber Elder & Lizanne Hunter

Office Hours: 9:00 - 11:00 am & 1:00 - 3:00 pm

Date: May 21, 2020

Content Area: Reading
Learning Target:
Standard:
Duration:
Activities: <u>Elder's class:</u> Today is HAT DAY for our class and I can't wait to see everyone's hats during our Zoom session. To help us celebrate, we'll read the book "Hooray for Hat". Then we'll write and share how we feel when we wear a hat. <u>Hunter's class:</u> It's HAT DAY! Wear your loveliest -- or craziest -- or FAVORITE hat or cap to today's Zoom class. Refer to your <u>Scholastic News</u> issue from Monday. Norbert has written you another letter, this time about pigs and sunscreen. Read his letter and respond, correcting his silly mistakes. Then write about animals in the sun, using the "Sentence Starters" and "Words to Use" pages.

Notes:
Content Area: Writing
Learning Target:
Standard:
Duration:
Activities: <u>Elder's class:</u> During our morning Zoom session we'll continue working on our memory book. Today, we'll add pages to share our Favorite Book we read this year and our Favorite Recess memory. <u>Hunter's class:</u> In your journal, write three goals for next year. (Please use complete sentences, rather than just listing your top three. Some supporting details would be awesome!) What would you like to learn more about? What would you like to become "better" at? How will you prepare yourself to be an awesome Second Grader? We will share these pieces in our last Zoom class -- <u>tomorrow</u> morning! ***Bring your journal to <u>today's</u> Zoom class, so that you can share about your favorite subject or Essential Arts class. And don't forget to wear your favorite HAT!

Notes:

Content Area: Physical Education (FIELD DAY!)

Activities:

Both classes: FIELD DAY would have taken place next Tuesday (the 26th). There's no substitute for the real thing, but Mrs. Kidwell and Mr. Walters have tried their best! Here is a "Virtual Field Day" for you to enjoy at home, using some common household "equipment."

Content Area: Science

Activities:

Elder's class: We'll continue celebrating our Hat Day by watching the video [Cat in the Hat Knows A Lot About That](#). This will also be a great review of our butterfly lessons from last week. As we watch the video, students will write new pieces of schema they learn or interesting facts. [SCHEMA](#)

Notes:

Core Essentials

This month's Core Essential focus is DETERMINATION. We'll spend all month learning more about what it means to be determined. You can review the videos below at your own pace throughout the month.
