STEP TWO: Talk about the Big Idea

- Why was it important for Lucy to stay determined?
- How did she show determination?
- What were some of the things that she had to do to make it through?
- How do you think she felt when she made it all the way to the finish line?

STEP THREE: Write about the Big Idea

- Every year, millions of teens in the U.S. drop out of high school. Why do you think someone would drop out of high school when they're so close to graduating?

STEP FOUR: Activate the Big Idea in Your Life

SEL COMPETENCIES:

STRESS MANAGEMENT, SELF-DISCIPLINE

ACTIVITY: Play the game "Come on Six". Each player needs a piece of paper, and one die and one pencil. Each person takes turns rolling the die. Whoever rolls a six gets the pencil and begins writing numbers 1-100.

The other players continue taking turns rolling the die. The next player to roll a six gets the pencil and begins writing numbers 1-100. The first player to get to 100 wins. **For younger students, you could have them write the letters of the alphabet instead of the numbers 1-100.

WRAP UP: "Staying determined to get to the end of that game got tough! Sometimes, even things we like can take determination, like sports, music, or theater. It is always worth it to finish what we start."
