Content area: Science

Today we are going to use our imagination. We have been learning so much about nature that I thought it might be fun to use our imaginations to help us build something out of objects we find in nature. So today we are going to build a fairy house.

Duration: 30 mins

Activities:

1. To get our imaginations going here is a video about magical make-believe creatures that we call fairies: https://www.youtube.com/watch?v=zCVgUtvL_P4
2. Now here are some ideas to help you get started on your own fairy house:

3. Record your bean seed observations for today.

HAVE FUN!!!

Turn in: Your bean seed observation sheet. We would also love to see a picture of the fairy house you created!!
