

EA Weekly Learning Plan

The EA teachers will be available on **Wellness Wednesday** to spend some time with you!

You can pop in for a quick “Hi!”, ask a question, show them your work, or join in on some fun. Remember to join the meeting with your microphone off and wait until the teacher calls on you to turn it on. Please do not record the meetings - if the teacher wants the meeting recorded, they will do it themselves.

See the time and meeting link for the teachers below. Click on the grade level for the Google Meet link.
